Company Announcements Office  
Exchange Centre  
20 Bond Street  
Sydney NSW 2000

Dear Sir,

## **NET ASSET BACKING**

The Directors advise that the unaudited net tangible asset backing of the Company's ordinary shares at 31 August 2011 was \$6.48 per share after provision for the final dividend of 14.5 cents per share (31 July 2011 \$6.87 before provision for the final dividend). The net asset backing calculation is based on investments at market value, is after the tax effect of realised gains and before estimated tax on net unrealised gains/losses.

Australian United Investment Company Limited is a long term investor and does not intend disposing of its total portfolio. However, under current accounting standards the Company is required to provide for estimated tax on any net gains that would arise on such a theoretical disposal. After deducting this provision, the above figure would be \$5.81 (31 July 2011 \$6.10).

Yours sincerely,

A J Hancock  
Company Secretary
