Dear Sir,

Additional Information **for the Financial Year Ended 30 June 2021**

Appendix 4E - Preliminary Final Results, lodged 17 August 2021

In addition to the information provided in the Appendix 4E for the financial year ended 30 June 2021, we provide the following:

Performance including Franking

We provide the following additional statement regarding the Company's performance including franking:

Including the benefit of franking credits paid to shareholders (for shareholders who can fully utilise them), the Company's NTA accumulation return for the year to 30 June 2021 was a rise of 29.1%.

Authorised for release by James Pollard, Company Secretary.
