ASX Announcement

Net Tangible Asset Backing 31 October 2023

The Directors advise that the unaudited Net Tangible Asset backing of the Company's ordinary shares at 31 October 2023 was \$9.96 per share (30 September 2023: \$10.37 per share).

The Net Tangible Asset backing calculation is based on investments at market value, is after tax on net realised gains, before any future tax benefit of net realised losses and before estimated tax on net unrealised gains/losses.

Australian United Investment Company Limited is a long-term investor and does not intend disposing of its total portfolio. However, under current accounting standards the Company is required to provide for estimated tax on any net gains that would arise on such a theoretical disposal. After deducting this provision, the above figure would be \$8.51 (30 September 2023: \$8.79).

At 31 October 2023:

- The Company had bank facilities of \$195M, drawn as to \$98M;
- Cash and net short-term receivables were \$3.4M.

A list of the Company's top 25 investments is attached.

Authorised for release by James Pollard, Company Secretary.
